

# Exchange Invite

Good for promoting your PR Exchange to people and communities locally.

This template can be completed alongside **Exchange Engineer** to develop your PR Exchange promotion.

Consider how you will share your Exchange Invite:

Will it be printed as a poster to be pinned up on local community notice-boards?

Will you use it as a leaflet to be distributed in areas with high footfall?

Will you share the invite on social media?

Will you embed it in an email to target specific communities of interest?
